Witt Hotels is committed to protecting the health of employees and guests, ensuring a safe accommodation environment, and prioritizing health sustainability. We adopt our health sustainability policy based on the principles outlined below:

**1. OCCUPATIONAL HEALTH AND SAFETY:**

We aim to protect employees' health and safety at the highest level. We take necessary measures in our workplaces, organize regular safety training, and establish emergency plans.

**2. CLEANLINESS AND DISINFECTION:**

We take special measures to ensure an environment that meets cleanliness and disinfection standards in our hotel. We continuously review and update hygiene standards in guest rooms, common areas, and throughout the facility.

**3. PANDEMIC MANAGEMENT:**

We develop pre-planned strategies to effectively respond to epidemic situations. We take necessary measures to protect the health of guests and employees and cooperate with health authorities.

**4. PROMOTION OF HEALTHY LIFESTYLES:**

We encourage employees to adopt healthy lifestyles. Through health programs, sports activities, and practices that support healthy nutrition, we strengthen employees' physical and mental well-being.

**5. MEASURES FOR GUEST HEALTH:**

We take special measures to protect the health of our guests. With practices such as health screening at entry, contactless services, and hygiene kits, we prioritize guest safety.

**6. HEALTHY FOOD AND MENUS:**

We promote healthy eating in our restaurants. We include healthy options in our menus and prefer to use local and fresh products.

This policy reflects Witt Hotels' commitment to health sustainability, aiming to protect the health of employees and guests at the highest level. By adhering to the principle of continuous improvement, we continuously evaluate and enhance our health sustainability performance.
