Witt Hotels is committed to keeping the safety of guests and employees at the highest level and to effectively responding to incidents. We adopt our safety sustainability policy based on the principles outlined below:

1. WORKPLACE SAFETY:

We take the necessary safety measures in our workplaces to ensure the safety of employees and guests. We regularly organize training and drills on emergency exits, fire safety, and emergency equipment.

2. SAFETY TRAINING:

We provide our employees with regular safety training. We organize awareness and training programs on incident response, fire safety, first aid, and similar topics.

3. SAFE CONSTRUCTION AND MATERIAL USE:

We ensure that safe materials are used in the construction and maintenance of our hotel. We conduct regular inspections regarding building safety and structural durability and make necessary updates.

4. HOTEL SECURITY SYSTEM:

Witt Hotels ensures facility-wide security by effectively using security systems. We continuously monitor and update systems such as cameras, closed-circuit televisions, and access controls.

5. GUEST SAFETY:

We prioritize the safety of our guests. We enhance security measures within and around the hotel to provide our guests with a safe accommodation experience.

6. EMERGENCY PLANS:

Witt Hotels establishes emergency plans to ensure the safe evacuation of employees and guests. We aim for quick and effective intervention in case of emergencies.

This policy reflects Witt Hotels' commitment to safety sustainability, aiming to maintain the highest level of safety for our guests and employees. By adhering to the principle of continuous improvement, we continuously evaluate and enhance our safety sustainability performance.
